

## GRANTS AND COMMUNITY LEADERSHIP IN 2023-24

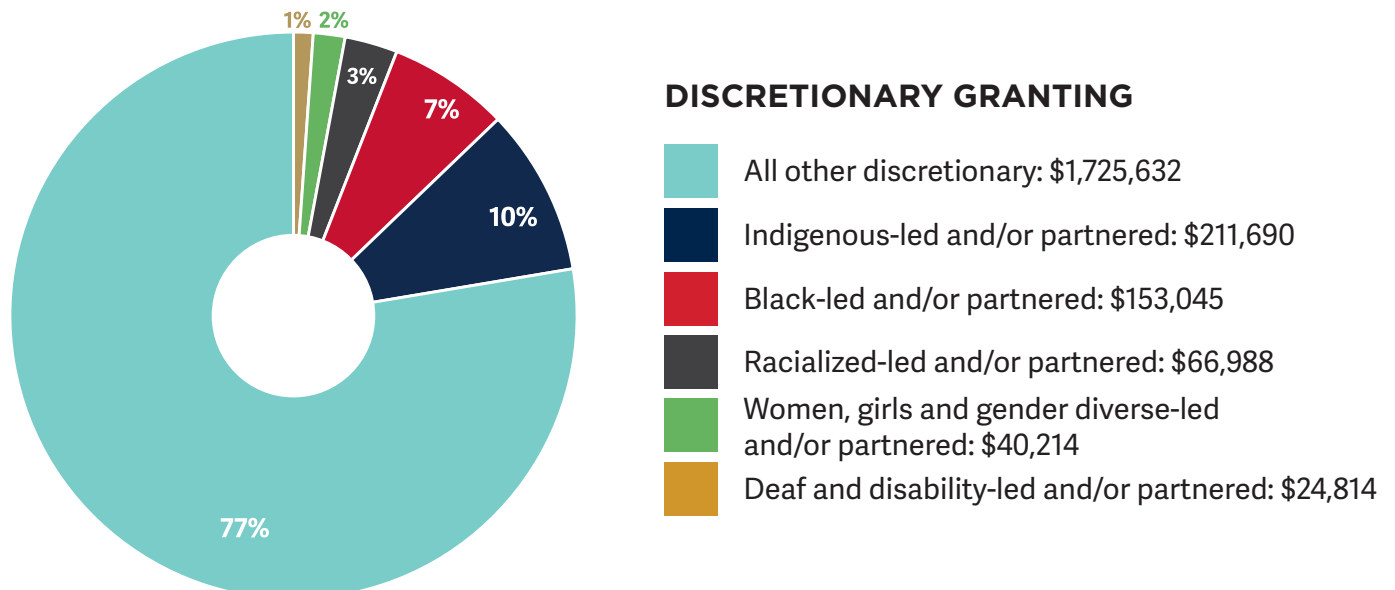

Hamilton Community Foundation offers donors powerful opportunities to drive positive change, meeting today’s needs and setting a direction for the future. HCF grants support a wide range of charitable organizations and initiatives, including arts and culture, health and human services, the environment, recreation and education as well as community leadership on critical issues.

In 2023-24, the Foundation made 959 grants to 401 charities totalling \$11.9 million. The chart below shows grant distribution, and reflects both Board-directed (“discretionary”) granting and the philanthropic interests of those who have donor-directed funds.

### Discretionary granting

The Foundation has a strategic goal to increase the capacity and health of equity-deserving organizations and communities (“EDC”) to address systemic barriers. As a first step, in 2023-24 it began prioritizing certain Board-directed grant streams to support *EDC-led* and *EDC-partnered organizations*.<sup>1</sup> The chart below shows how these grants from all discretionary funds (Community Fund and field-of-interest funds) totalling \$2,222,383 were distributed.<sup>2</sup>

Grants shown as “other” are those to organizations that serve equity-deserving communities, but that have a broader overall mandate rather than an explicit EDC service mandate. In addition, \$846,758 of donor-directed grants were made to EDC-led or partnered organizations in Hamilton. This is HCF’s first year of identifying grants in this way, and provides a baseline from which the Foundation can track its equity, diversity and inclusion progress in this area.

The following pages detail all Hamilton Community Foundation grants in 2023-24, listed alphabetically by organization.

Grants in red are those made from discretionary funds (Board-directed Community Fund or field-of-interest funds.) They include:

- \$1,314,000 made by the Foundation on behalf of the federal government’s Community Services Recovery Fund.
- \$113,661 made by the Foundation on behalf of the federal government’s Investment Readiness Program.

All other grants are from donor-advised or designated funds and reflect the philanthropic interests of those who established the funds. As part of its due diligence, HCF verifies the charitable status of all grantees before grants are made. Please note

- Organizations identified in italics are charitable sponsors for the grant.
- Some grants are payable over multiple years.

In addition to the grants listed, the Foundation provided grants totalling:

- \$348,096 in scholarships and bursaries to 92 students and an additional \$255,953 to 24 academic institutions and organizations.
- \$77,480 to 17 organizations/camps that provided 435 one-week camperships through the Hamilton Spectator Summer Camp Fund.

---

<sup>1</sup> **EDC-led** organizations have an explicit mandate to serve the EDC population; a majority of leadership, board and staff reflect the EDC; and mission and activities are informed by the EDC’s experiences and cultural knowledge. **EDC-partnered** organizations prioritize the experiences of partner EDC’s in values, organizational practices and programming. In EDC-partnerships, EDCs share leadership and are decision-makers and partners in work that impacts them.

(Source: <https://www.vancouverfoundation.ca/wp-content/uploads/2022/08/RR-Fund-Equity-Matrix.pdf>)

<sup>2</sup> These totals do not include \$1,427,661 of Board-directed grants distributed by HCF on behalf of the federal government through the Community Service Recovery Fund and the Investment Readiness Program.

## Community leadership projects

These projects include HCF's own community leadership activity as well as projects where we act as an intermediary to assemble funding for multi-organizational community initiatives. The projects may span multiple years and are funded by new donations as well as by Board-directed funds. Current year funders are The Fairmount Foundation and the Higher Education Quality Council of Ontario.

Leadership project costs include research, community consultation, meetings costs, education and communication materials. Spending for 2023-24 is:

ABACUS: Advancing post-secondary access	\$247,671
Community investing project	53,957
Equity project	96,764
Green Shield Canada	137,000
Other leadership projects	131,932
<b>Total community leadership projects</b>	<b>667,324</b>
<b>Total grants and community leadership spending</b>	<b>12,634,335</b>
